

# LSA 15

## PUNCHING ADAPTER

Punching adapter with mounted punch inserts

Punching inserts, set includes punch and matrix, have to be ordered separately

These adapters for using punching inserts (set including punch and matrix) allow you to add hole punching to your crimping tool. They are usable as pin lock dies with InLineBox-C15 and InLineBox-C15-O.

- Hole diameter 6.5 mm up to 17 mm possible
- Center punching of sheets/rails up to 50 mm wide
- Material thicknesses: Cu/Al up to 10 mm, steel up to 5 mm
